Total Days of School:	45			
Days Attended:	42			
Days Absent:	3			

Grade	1st	2nd	3rd	4th
Quarterly Grade:	A-			
Average Grade:	A-			

### Teacher's Comments and Feedback:

Michael is a wonderful student in the classroom. He is consistently helpful with his classmates and follows instructions well. He rarely misses handing in his homework and is doing well this year not getting distracted by his classmates.

Michel has been struggling in algebra class. This seems to be due to the material and not his lack of participation, we would recommend a tutor if possible, or Michael can attend the after school homework help sessions.
