

# Visiting the Doctor

Level 1

I have a headache  
Doctor.

Here is some medicine, go home and rest.

I think I am too sick to go to work.

I will feel so much better tomorrow.

Level 2

I'm glad I saw the doctor today. The medicine I took is already helping me feel better.

I woke up feeling sick, I have a cough and a fever. I think I need to go to the doctors.

Thank you for seeing me, I don't feel well and think I need some medicine.

I think you are right. Here is a prescription for some medication, you can get it at the pharmacy.

Level 3

Here's a prescription for some medication. Please be sure to give your health card to the nurse before you leave.

That appointment was really helpful. I am already feeling better. I know I will feel even better tomorrow.

My symptoms are a headache, a fever, a cough, and a sore throat. I've also been really tired.

I have been sick for a while, I think I need to go see the doctor and get some medicine.
